

Attached is the COVID screening form for members. This is the same procedure used in schools within the Waterloo Region School Board.

Members/Parents/Staff are to use the following site to complete their COVID screen:

<https://covid-19.ontario.ca/school-screening/context>

Members

- Parents will initial beside the date of the practice and send the paper in with the member.
- If not completed a board member will complete the screening with the member before they are able to enter. If they do not pass they will be sent home
- The sheet will be returned to the member to take home for the next week.

Parents/Spectators - Staff / Board Members / Volunteers:

- are expected to complete the screening prior to arrival. On the contact tracing form (which will be completed upon entering the building) there will be a spot to indicate they completed the screening.
- need to be fully vaccinated for 14 days prior to the practice date & need to show proof of vaccination every time you enter the building. *A City of Kitchener employee will be on hand to verify vaccination records.

Member Screening Confirmation Form

This form is to be completed for each practice and sent in with your child.

If it is not completed a staff member will complete with child and parent/guardian will be contacted. For those not familiar with this procedure please see instructions on reverse.
